

192 - Training Snaffle

Last Updated Sunday, 13 September 2009 21:19

(shown on 46 cheek)

5 1/2" leverage, 5 1/4" width

Also available in Arab size, 4 3/4" width and Pony size, 4 1/4" width

An old and proven idea that has been used by expert trainers for years. For starting colts it gives more control than a plain snaffle. Stainless metal mouthpiece, also available in solid copper. (Also available in single twisted wire).

This bit introduces your horse to leverage.
