

268 - Ported Snaffle with Copper Cricket

Last Updated Wednesday, 23 December 2009 20:28

(shown on 46 cheek)

5 1/2" leverage, 5" width,
port 1 1/2" high

Also available in Arab size - 4 3/4" width

Also available: No 268L with port 1" high

The best all around bit. Gives horseman opportunity to apply snaffle or curb pressure individually or together. Use for training, schooling, correcting, pleasure, or performance riding. Fits horses of all ages and training levels. Takes advantage of cricket action by relaxing horses lower jaw which gives more flexibility in head and neck. Also available without cricket.
